Firefighter internship

During my 9th grade internship, I had the opportunity to intern at a fire station. This experience taught me many valuable lessons, such as discipline, teamwork, and pushing oneself beyond limits. Today, these qualities have been of great use to me both in my professional life and in my studies.

Employment at a pizza restaurant

"I worked at a pizza restaurant every weekend for one year."

Skills

I have experience in video editing using iMovie and After Effects. I am also proficient in using Photoshop for photo retouching. I have advanced skills in word processing using LibreOffice. I am currently learning Python coding and have a beginner's level. I also have experience in setting up client workstations in a network. I am a serious and determined worker, and I always finish what I start. I am also known for my attention to detail

Hobbies

I am passionate about computer networking and programming, which I have been interested in since I was young. I also enjoy sports, specifically boxing, which has helped me develop my perseverance and seriousness. Additionally, I have volunteered for various associations, which has taught me the value of helping others and fighting for a cause with motivation. I have participated in events such as the Telethon and October Rose to fight against breast cancer
